

# Everyone is invited to join in the fun by taking on the **TINY SAINTS SUMMER CHALLENGE**

There's a big, beautiful world out there to explore and no one knows that better than the saints who celebrated it. So, we're inviting YOU to conquer the Tiny Saints Summer Challenge!

Complete all three tasks listed below by August 1st and the Church Office will award your Official Summer Challenge Certificate! Before you begin your Tasks listed below, please take a few minutes to complete the coloring page on the opposite side of this page. A new coloring page will be included in the Church Bulletin each week (July 9, 16 and 23). Please drop off or email your completed coloring pages to the Church Office. Our email address is ollsm@att.net. Please say a little prayer before each task and ask the Saint for their guidance and friendship this summer! Let's get started:

**Task#1 – Coloring Sheet was included with Sunday, July 9 Bulletin**  
Saint Abigail walked the countryside in search of the place God wanted her to be. She traveled through forests, mountains and valleys. Now it's your turn! Head out on a walk through nature. Explore the big and small places you've never been before. Maybe even sit down to snack and say a little prayer. During your adventure, take photos to share with family and friends.

**Task#2 – Coloring Sheet is included with Sunday, July 16 Bulletin**  
Saint Francis of Assisi loved animals. He even called them his "brothers" and "sisters." For this challenge, you have two options! You can (a) create a small attraction for local wildlife - like a birdhouse or flower patch - or (b) call the nearest animal shelter and bring them donated goods. Have fun!

**Task#3 – Coloring Sheet will be included with Sunday, July 23 Bulletin**  
Saint Kateri lived her whole life in the wilderness. Her tribe survived on the fruits, vegetables, meats and herbs God provided. Food was a huge part of their family and community life. It brought everyone together! Next time your family goes to the supermarket or farmer's market, tag along and prepare a special meal or snack with the ingredients St. Kateri's family would have used. Examples include corn, beans, turkey, salmon, bread, blueberries and strawberries!

*Please call (615-384-6200) or email (ollsm@att.net) the Church Office if you have questions or need additional information! We still have Tiny Saints Charms, Rosaries and Bracelets available in the Church Office for purchase!*
